

BOYCOTT CHAPTERS- INDIGO

Heather Reisman and Gerry Schwartz, majority shareholders of Indigo Books and Music Inc., have founded Heseg: Foundation for Lone Soldiers. At its peak, it will distribute up to \$3M a year to provide scholarships and other support to former 'Lone Soldiers' in the Israeli military. 'Lone Soldiers' are individuals who have no family in Israel but decide to join the Israeli military. As Israeli soldiers, they participate in a military that enforces apartheid by operating checkpoints restricting Palestinian freedom of movement, enforces the occupation of Palestinian land, and has a documented history of human rights violations.

Boycott Chapters-Indigo until the majority shareholders publicly announce that they will cut all financial ties to Heseg.
