BOYCOTT SODASTREAM

We urge you to refrain from buying SodaStream because:

- SodaStream’s machines are produced in Ma’ale Adumim, an illegal settlement in the occupied Palestinian West Bank
- Israeli Settlements are a violation of International Law, and are a serious obstacle to a comprehensive, just and lasting peace
- The Canadian government views Israeli settlements as “a serious obstacle to achieving a comprehensive, just and lasting peace” in the region

What you can do:
1. Don’t buy SodaStream products & urge your family and friends to boycott SodaStream
2. Sign the petition urging Bed Bath & Beyond to drop SodaStream
3. Write a letter to your local Bed Bath & Beyond branch asking them to stop selling SodaStream products
